

The PLUMPTON PARISH NEIGHBOURHOOD PLAN

1 SEPTEMBER 2014

Dear Plumpton Parishioner

The Plumpton Neighbourhood Plan process is moving ahead and several events are planned including the open event on 16 September 2014 in the Village Hall to which all parishioners are warmly invited.

Housing development is a key part of the Neighbourhood Plan and the Parish Council must be even handed in its relationship with all landowners and agents/developers. The Parish Council will be holding a specific session for landowners and agents/developers in due course.

Some developers are approaching parishioners ahead of this session and may hold consultation events in the village as required by the planning system. The Village Hall, as a public venue for hire, may be used for these consultation events. Any such consultation events are not an official part of the Plumpton Neighbourhood Plan process.

Keep up with the Neighbourhood Plan by checking the website at www.plumptonpc.co.uk/neighbourhoodplan

Paul Nicholson
Chairman Plumpton Parish Neighbourhood Plan
