4. User Reports

a) Cricket

The club were progressing well this season ; junior sessions had just finished after running for 10 weeks and were quite successful.

b) Honeybees

Continuing very successfully and from September with 24 on the roll will be running from 35 hours a week from 8.30-15.30. They will benefit financially from this arrangement. The current roll is 26 and will be having a “graduation session” for the 12 leaving for school. There is a good community spirit at the playgroup.

Also had a good season.

d) Football / Archery / Junior Football

No report.

5. Maintenance

- b) The parking area, which is exclusive to Honeybees and Playing Field users is still being abused as employees of Honeybees are not always able to park. Letters left on cars are being posted back into the pavilion. It was suggested that the registrations of cars, which continue to use this space, be recorded so that future action can be taken.
