**NOTES OF MEETING / ADVISORY NOTES TO LDC**

**Reference:** SDNP/17/06183/HOUS

**Location:** 4 Fairhaven, Plumpton BN7 3AH

**Proposal:** Rear and side ground floor extensions, creation of front porch and insertion front & rear dormer

*There were no declarations of interest*

**Decision:** The Committee **did not support this proposal.**

It was felt that the proposed design was not in keeping with and sympathetic to the design of the rest of the property and the other houses in that development. In particular, we noted that the front and rear dormers are not hipped.

We would also like to ask that SDNPA ensure that potential increased light pollution from the velux windows is within acceptable levels as specified in its dark skies for the national park.
