1. Apologies – None (note Cllr Chris Thompson resigned from the PC on Sunday 17th November 2019)
2. The minutes of meeting held on 17th September 2019 were read and approved.
3. Matters arising from previous minutes
 - a. CSW - The Parish Council have now purchased our own Radar device to replace the loan equipment.
 - b. A local contractor has been asked to clear the drain ditch by allotments and trim the hedge.
 - c. SLR meeting - minutes will be posted on PC web site.

4. To apply for possible parking restrictions.

After the disappointment of having all our previous requests refused by ESCC it was thought that a second attempt should be made but concentrating on one area. One constant problem area is parking outside of the shop which is on the brow of the hill and makes exiting Riddens even more tricky than it already is. It was noted that in addition, further development expected off Riddens Lane in 2020 would exacerbate the situation. To be successful we must have majority consensus supporting any proposal to restrict parking and therefore some coordination will be necessary to make sure we had a good number of residents in support. Before the committee started a campaign of any sort Cllr PM offered to talk to the Shop manager to get their views.

5. Date for future meetings
 - a. To be assessed at the next PC meeting.

The meeting closed at 8:30pm. These minutes are in draft form and, subject to any agreed amendments, will be ratified at the next meeting.
