3. APPLICATIONS

LW/06/1482 Lentridge Barn, Station Road, Plumpton Green. Insertion of 3 new conservation roof lights and exterior door to east elevation for Mr. Bicknell. PC approved this application providing it does not breach any conditions imposed on the previously granted application.

LW/06/1525 Jupiters Oak, South Road, Plumpton. Two storey side extension and single storey rear extension (demolition of existing outbuildings and lean to) for Mr. and Mrs. Chauhan. PC approved this application provided this extension does not exceed permitted 50% development limit. The Council would like to see this tied to the property.

LW/06/1466 Letchmore Lodge Farm, Station Road, Plumpton Green. Erection of a two storey side extension and a single storey double garage (existing extension and garage to be demolished) for Mr. and Mrs. Charles. PC approved this application. They suggested that it would be enhanced with the roof line continuing at the same height as the present building. They would also like to see materials to match being used and consideration given to this house being very visible from the main road. There is also a query regarding possible loss of light to Letchmore Cottage.
