

PLUMPTON VILLAGE ACTION PLAN

Football Club: rapid sticky note comments – 14/15 Oct 2006

What do you least enjoy about living in the village?

- Get rid of dog poo
- Traffic through Station Road
- Threat of development
- Helicopters
- Dog mess
- Speeding
- Speeding traffic from village residents
- This year I noticed a lot more low flying aircraft and aircraft "stacking" over/Gatwick
- Dog mess on the pavement (ditto)
- Lack of local services - shops , toilets
- Locals speeding through village
- Dog mess
- Speeding cars through village
- Cars speeding at 60mph when leaving the village
- Those with the influence NOT taking notice of the speeding

If you could change one thing in the village what would it be?

- A later train to stop from London at night
- "Slow - Children Playing" sign round Westgate
- A bigger shop - that delivers newspapers to EC
- A taxi company
- Speed bumps - especially Novington Lane
- Cycle track
- Plumpton in Bloom?
- Street party?
- Better times of transport to Lewes to enable more "choice" of high schools (Bus to Chailey but Priory return journey contains a wait of $\frac{3}{4}$ hour)
- I would like the village community clubs etc to link together and take on something

- like villages in bloom / best kept village, to raise profile of the village and improve
- look and for everybody to take responsibility
- Flashing speed signs
- Stop parking on grass verges especially around Southdowns (school and shop)
- Trains stopping in the afternoon (x 2)
- Improve entrance to playing fields - needs new sign and gate post (often looks messy rubbish etc)
- Put up flash warning signs for speeding
- More trees & shade needed in playground at playing fields
- Slightly wider pavement near the green/village hall for children going to Chailey on the coach
- A chemist would be great
- Wider pavement along Station Road (between Church and Post Office)
- Trains stopping throughout the day
- Stop parking on grass verges
- Traffic lights at the Half Moon junction before somebody gets killed
- Better train service
- Shelter at Chailey school bus stop by the village hall
- Put "Speeding Kills" signs up
- More weekend trains
- Speeding cars, lorries and scruffiness of verges. Could have more colour - spring
- bulbs in verges and on village hall green
- The two villages - Plumpton/Plumpton Green difficult to differentiate

What do you enjoy most about living in the village?

- The pubs - having three in the village (!! 4??)
- People mostly say "good morning"
- Rural environment/ countryside - preserve it
- Various local organisations available to all
- Friendly and inclusive
- Community spirit
- Strong sense of community - lots going on
- Community spirit
- Plumpton AFC (football club)
- Train service
- Pubs
- Strong sense of community - knowing lots of people
- Friendly & lots of clubs/activities.

- Good school
- Community support
- All the activities for village and friendly people
- Everything. Pubs a great bonus
- Friendly people you know
- Plumpton races
- Local organisations
- Community spirit, variety of events and clubs etc, the local friendly pub (WP), the village hall/everything it offers, the amount of sports, children friendly environment, the railway to London, the village shop, the racecourse
- The village is not pretty but equally not pretentious
