OTHER POINTS OF NOTE

- Neighbourhood Plan introduction from Ed Sheath at LDC scheduled for January Meeting
- PPC is invited to take part in a consultation for South Downs National Park (SDNPA) on the consolidation of planning application processing into a single system. The consultation can be found under www.southdowns.go.uk/planning. At the meeting on the 24th January I will be seeking guidance from the Council on whether PPC intend to respond.
- PPC is invited to take part in a consultation on tree works. This appears to "fast track" applications giving Town and Parish Councils two weeks to comment and revert to a paperless (email) consultation procedure.
