

## **Committee Members**

### **Report**

Action taken since meeting with Clare Drew.

Plumpton Junction 5c/8a – dog latch has now been installed by The Monday Group

Plumpton Path 5b – is now closed as bridge was listing badly

PlumptonPath 6a – There is now a cross piece and lift bar in place (ESCC)

Streat 18 – boards now fixed

Plumpton 17a – tarmac to be laid in next financial year to try to prevent flooding. It has been suggested that “decking” could be installed instead to make access easier for train passengers when the path is flood to a depth of about 6”.
