

Update for Residents from Plumpton Parish Council on Additional housing targets for Lewes District Council (LDC)

Update 17 August

There is now just under 3 weeks to go before the 3rd September deadline for comments to Lewes District Council on the Issues and Options consultation.

Please find the [Draft response from Plumpton Parish Council](#) here. The Parish Council is still working with other parties, such as the CPRE, to get the best and most complete response we can so this version is not final but nonetheless we wanted to make residents aware of our thoughts thus far and hope they help and prompt all to respond.

For those that want to respond to LDC, the online form is here:- [Lewes District Local Plan - Issues and Options - Lewes and Eastbourne Planning Policy Consultations \(lewes-eastbourne.gov.uk\)](#)

Alternatively email responses can be sent to ldf@lewes.gov.uk
