

## PLUMPTON PARISH COUNCIL

---

### Community Grants & Donations Policy

- The Parish Council welcomes applications from organisations with a local connection to Plumpton parish or those that are directly involved in helping residents of the village.
- An application for a grant or donation from the Parish Council should be submitted on the approved form.
- All applications for grant or donation funding must be approved at a full Parish Council meeting.
- Expenditure should be targeted at improving or maintaining the quality of life for the majority of residents of Plumpton parish, or at least a significant minority of the residents such as young people or the elderly.
- Grants or donations will not be considered for financing the aims of political or religious organisations, nor of individuals.
- Checks are to be made to ensure that all expenditure is used for the purpose for which it was agreed. If any variation to the agreed expenditure is required, it must be approved by the Council, or the funding will be cancelled, and the grant repaid.
- Applications for donations from national organisations and charities will be considered on a case-by-case basis but in general will not be met unless there is a proven link with the parish.
